

**SCHEDULE 1**  
(Effective 1/1/2024)

USER intends to use the NMR spaces marked below for a program of public safety and firearms training and related uses on the dates and times as determined by the NMR Manager, and agrees to the stated rates for each:

<u>SPACE</u>	<u>STANDARD RATE</u>
<input type="checkbox"/> <b>RANGE</b> Maximum shooting distance of 39 yards. Computerized target carrier system with individual shooting booths. Rental includes use of targets, cardboard backers, eye protection, two-way radio headsets, and fully stocked gun cleaning room	\$220/hour
<input type="checkbox"/> <b>RANGE (2)</b> Maximum shooting distance of 50 yards. Computerized turning targets. (No shooting booths or carriers.) Rental includes use of targets, cardboard backers, eye protection, two-way radio headsets, and fully stocked gun cleaning room. Vehicles are allowed on this range.	\$220/hour
<input type="checkbox"/> <b>SIMULATOR</b> State-of-the-art, virtual training space	\$100/hour
<input type="checkbox"/> <b>DT ROOM</b> Completely padded walls and floors. Direct access to the Reality Based Training areas and the training simulator. DT equipment (i.e. strike pads, padded suits, etc) are available upon request.	\$220/day
<input type="checkbox"/> <b>REALITY BASED TRAINING</b> The Reality Based Training (RBT) area includes two full levels with three different stairways. The indoor training area allows for unlimited room configurations, flexible situational training environments, and fast easy setup, plus two simulated holding cells, an outdoor balcony, and roof top access. Vehicles are allowed inside through the RBT vehicle bay. The outdoor training area is a fully paved private space with direct access to the indoor training areas.	\$440/day
<input type="checkbox"/> <b>CLASSROOMS</b> Two modern classrooms with connectivity for your laptop or use a laptop supplied by the NMR. Classrooms can be rented separately or they can be combined to create the large classroom.	
<input type="checkbox"/> Large (max capacity 75)	\$450/day
<input type="checkbox"/> Medium (max capacity 40)	\$275/day
<input type="checkbox"/> Small (max capacity 20)	\$175/day

**NOTE:** A USER committing to high volume or long-term usage may be eligible for discounted rates depending on availability as determined by the NMR Manager, and after written approval by the Commissioner of MMB.

**Note for all non-JPA & non-contracted agencies:**

\*\*\*Any training before or after normal business hours (12 am to 7 am or 5pm to 11:59 pm) will require a \$30 per hour ADD-ON fee for each NMR RSO required during your training. The number of RSO's required will be determined by the NMR Manager. Normal business hours are 0700-1700 hours, Monday thru Friday)
